

## NUMBERS FOR LIPREADING PRACTICE

YOU CAN PRACTISE THESE USING A MIRROR OR WITH A FRIEND.

Thirteen/thirty	fourteen/forty	fifteen/fifty
Third/thirtieth	fourth/fortieth	fifth/fiftieth
Sixteen/sixty	seventeen/seventy	eighteen/eighty
Sixth/sixtieth	seventh/seventieth	eighth/eightieth
Nineteen/ninety	one hundred / one hundredth	
Ninth/ninetieth	a thousand/ a thousandth	

These numbers are easy to mix up so check that you have heard correctly by asking a **closed question**:

“Did you say thirteen?” No

“Did you say thirty?” Yes.

This way confusion can be avoided. This kind of question can be used in any situation.
